I wish to monitor, evaluate, and review the progress of the enrichment hour during the year. It is the intention that the enrichment will continue into 2015 – 2016 in order to measure impact, however, we may extend the enrichment hour to a further hour on Wednesday's if the Thursday enrichment hour proves to be successful.

Pupils either leave school to walk home, to catch a bus home or they line up in the Assembly Hall or the school yard to await the school coaches. This dismissal is closely supervised.
